Night Hike & Campfire Programs

Join us as we traverse the trails of Churchville Nature Center during the time of nocturnal wanderings. A naturalist will help you become part of the world of bats, owls, opossums, raccoons and skunks.

The program will include a night hike and a campfire with marshmallows. You may bring beverages and supplies for s'mores.

Lenape Life

Learn about the life skills of the local Lenape Native Americans of the 1500's era at the Center's Lenape Village. This program can be used for "Beat the Drum."

Other Programs

Churchville Nature Center sponsors a variety of day hikes, outdoor adventures and natural history trips. Programs are available throughout the year that can become a memorable troop experience. Contact the Center or visit the center's website for a list of upcoming trips and programs.

In addition, the center can provide expertise to meet some of the requirements for other Adventure and Merit badges not listed in this brochure.

Contact center staff to discuss your troop's needs and interests!

Participants should come dressed for the weather since programs are conducted outdoors.

Community Service

Churchville Nature Center offers year-round opportunities for volunteers to help with a variety of events or projects.

Several times a year, the center focuses its efforts on cleaning up the surrounding trails and reservoir banks. Volunteers are needed for collecting trash, raking leaves, removing invasive plants, etc., in addition to helping with specialized tasks that relate to a program or event.

Eagle Scout Projects

Churchville Nature Center also works with Eagle Scout candidates. Eagle Scout projects are varied but all have benefited the Nature Center in some way. Past projects include nesting boxes, trail benches, garden pathways and others.

Eagle Scout projects can be carried out year-round so center staff will always consider accepting applications.

Contact Bill Woodroffe at 267-880-5033 or wpwoodroffe@buckscounty.org if you have questions or if you'd like to pursue an Eagle Scout Project.
